

TWISTERS GYMNASTICS FEE POLICY TORQUAY

Your Direct Debit Membership enrols your child as a Twisters Gymnastics Member and pays for your child's place in their allocated class time and day, regardless of attendance. Once you have registered, your child's Membership is ongoing until you cancel your membership via the portal.

Twisters Torquay classes operate from the second week in January through to the second to last week in December, including school holiday periods, with Monday marking the start of the week. According to the International Organization for Standardization ISO 8601, Sunday is the seventh and last day of the week.

1. Frequency of fees:

Class fees are paid either by fortnightly or monthly instalments, as selected by you upon enrolment. Fortnightly fees are charged at a slightly higher rate to account for additional processing fees. Credit card or direct debit details must be completed in our Parent Portal for automatic processing upon enrolment. Ongoing fees are processed 7 days ahead of the billing period and is dependent on your day of enrolment. If you have children enrolled on different days, their scheduled billing will be according to the day each child is attends Twisters, meaning fees will be deducted on different days for each child. Your direct debit will continue each fortnight/month, automatically, until you have cancelled your membership via the portal (subject to cancellation period).

2. Monthly Membership and Annual Club Fees:

For all our program fees, please visit our website.

Fees are charged immediately upon enrolment, and then 7 days in advance of the next billing period (month or fortnight, dependent on elected schedule). Fortnightly fees are charged at a slightly higher rate than monthly fees to account for additional processing fees.

An Annual Club Fee, for insurance and registration, will be charged upon enrolment (\$30 per recreational gymnastics or AGC competitive member, and \$100 per other competitive gymnastics member), and then annually at the end of the year as a holding deposit for the following year's enrolment.

3. Class Cancellation:

You can drop out of your enrolled class at any time. We require 14-days' notice, which must be given in writing, preferably through the Parent Portal. Anyone experiencing difficulty using the portal can email their cancellation notice to admin@twistersgym.com.au.

Once the portal request, or your email has been received, you will get a confirmation via email of your child's last class. After this date, provided your account has been paid in full (including the notice period) all payment details will be removed from our system.

4. Declined Monthly Membership Direct Debits:

Tribe processes payments a week *before* your selected billing period, so that any failed payments can be sorted out before your child attends. It is your responsibility to ensure that there are sufficient clear funds available in your account to allow a debit payment to be made, in accordance with the Direct Debit Request. If there are insufficient clear funds in your account to meet a debit payment, you may be charged a fee and/or interest by your financial institution, and/or you may also incur fees or charges imposed or incurred by us.

5. Injuries, Illness, Holidays and Other Commitments:

Twisters offers unlimited make-up classes for absences notified in advance. Make-up Vouchers are automatically generated whenever you enter a future absence (through the parent portal), that your child will miss a class due to health reasons, a trip away or some other commitment. Make-up Vouchers expire after 90-days.

TWISTERS GYMNASTICS FEE POLICY TORQUAY

Gymnasts who miss a training session are not entitled to a fee reduction, nor will they receive a credit for any missed classes. However, upon application to the business owner, if a gymnast is sick, injured or away on holidays for <u>four</u>, or more, consecutive weeks, and the club is notified before the period of absence, then parents may be offered a 50% credit for the classes missed, to go towards the next billing period's direct debit instalment. The club will absorb the other 50% of the fee cost to hold your child's spot until they are able to return to class.

6. Public Holidays:

Parents do not pay (nor are classes held) on public holidays. Members who have a class that falls on a public holiday will not be charged for the public holiday class.

7. Discounts:

If you have three or more children enrolled with us, you will receive a 10% discount on the lesser account. This amount will be directly applied to your membership once you've enrolled your third child through the Parent Portal.

8. Make-up Lessons:

Twisters offers unlimited make-up classes for absences notified in advance. Make-up vouchers are a courtesy gesture to allow the missed class to be made up at an alternative time and do not incur a credit to your account. They are automatically generated whenever you enter a future absence (through the parent portal), indicating that your child will miss a class due to health reasons, a trip away or some other commitment. Advance notice of your absence is required to open up the spot for another gymnast to do a make-up class. Non-attendance without prior notice will result in your child being marked absent by the coach and a make-up token will not be issued. Vouchers expire after 90-days and the use of makeup vouchers is only available for the duration of your current membership. Make up classes are forfeited after withdrawal and may not be transferred, used in lieu of membership, refunded or cancelled once booked. These make-up classes can be used in any appropriate class (for your child's age, skill level and hourly commitment), where there is an available space.

Make-up classes must be booked within the week you'd like to attend; they cannot be scheduled more than 7-days in advance. A discount will not be given if you are unable to organise an appropriate make-up class, nor can vouchers be transferred to another Twisters member, including siblings).

Make-up vouchers hold no monetary value and therefore need to be used while your child is still enrolled with Twisters. As they are a courtesy class and not a credit amount, they cannot be used in lieu of fees. Please use our Parent Portal via the website to utilise your vouchers for a make-up session, or contact the office via email, website chat, or in person for assistance.

Please note that in the case of a public holiday, classes do not run and you are not charged for any class, therefore your child will not receive a make-up voucher.

9. Suspension Period:

Twisters Torquay classes run year-round. Each Twisters member is entitled to use a 2-week holiday suspension of their membership each year, which must be used as a 2-week block. The value of the classes missed, during the 2-weeks suspension, will be credited to your account. Note that your child will not be able to attend class during the 2-week suspension period.

Twisters requires a minimum 7-days' notice, prior to any suspension, which must be requested through the
